

We are Building Healthcare Communities

Get Started with HealthMatch.com

- 1 Introduction & Strategy**
Discuss the opportunity and timeline. Enter into contract and define the scope of work.
- 2 Messaging & Approval**
We will create customized messaging tailored to your needs and proceed upon your approval.
- 3 Reporting Demonstration**
We will demonstrate what outcomes you can expect and how to interpret the reporting.
- 4 Data Collection**
Send us your client list using FTP or secure email. We will ensure your data is formatted correctly without errors.
- 5 Campaign Begins**
Our communication center will contact your list using approved messaging.
- 6 Reporting Delivered**
We will follow up with weekly reporting and work with you to improve the process.
